PROFESSIONAL EXPERIENCE

Residential Assistant | University of Mississippi | March 2023- Now

My responsibilities for this position involve building personal relations with my residents, helping them adjust into a new living environment and help them with any problem that may arise, handling any conflicts and crises that may arise, performing regular rounds and reporting anything unusual to my supervisor, mediating conflicts between roommates and other required tasks.

Community Desk Assistant | University of Mississippi | October 2022 - March. 2023

My responsibilities for this position involved providing outstanding customer service, greeting all students, checking student IDs, answering the phone, taking messages, monitoring the lobby, maintaining the visitation log, assisting student housing staff members, reporting maintenance needs, checking equipment in and out, and other tasks required by the department.

Lab Assistant | Provincial Hospital | Karnali Province, Nepal | June. 2021 - August 2021

Assisted in various experiments and tests. Set up the necessary equipment for a test or experiment. Recorded Data and made presentations when required. Cleaned up the laboratory and sterilized the equipment after each test.

Lab Assistant | Shree Amarjyoti Model Secondary School | Karnali Province, Nepal | June 2018 - December 2018
Helped set up the lab before a class and clean up after. Checked up on the equipment after every class and reported any that were missing or damaged . Prepare the required chemicals for a class. Did regular check-ups on the equipment. Helped the underclassmen with their labs.
